## FREE SpEd Forms Support Groups

### SpEd Forms Support Groups

In addition to free online and telephone support for registered SpEd Forms Technical Contacts and special education administrators, SpEd Forms will be offering free support groups throughout Minnesota during the 2006-07 school year. Each support group will be an open question and answer forum for users of SpEd Forms lead by Shane Dennis, the developer of SpEd Forms since 1996.

There will be no set agenda for each support group, so registrants will be free to come and go as their schedule permits. Each support group is limited to twenty attendees, with a maximum of two attendees per school district or one attendee per charter school. To register, simply choose your preferred location, and then mail, fax or email this form to SpEd Forms.

We look forward to seeing you!
